CalBay Development Buys Two Restaurant Properties Near Los Angeles for \$5.8M

Posted on August 24, 2018 by Amy Works in Acquisitions, California, Restaurant, Retail, Western

ONTARIO, CALIF. — CalBay Development has acquired two restaurant properties in Ontario for a total of \$5.8 million.

In June, the company purchased a to-be-vacated restaurant building, located at 2345 S. Grove Ave., for \$2 million. MGR Real Estate represented the seller, an owner-user, in the deal, while MidFirst Bank provided acquisition financing. In May, the City of Ontario Planning Commission approved CalBay's application to change the use of the property from restaurant to express car wash. Construction for the new Fast5Xpress Car Wash is scheduled to begin in November.
